

Emerging Trends and Hot Topics in Ophthalmology

OCTOBER 27 | 6:30 AM – 8:30 AM

MARRIOTT MARQUIS CHICAGO | ROOM MARINA CITY
2121 SOUTH PRARIE AVENUE | CHICAGO, IL 60616

Join us for a delicious breakfast and presentations from Doheny and UCLA Stein Eye Institute physicians on the latest and most innovative research and clinical findings in ophthalmology.

We will give an overview of the most relevant and promising research and discuss clinical techniques as well as new concepts in the field.
